last Sunday night on the charge  
of violating the "bone dry law."  
He was held for trial until this

Co. He is taking the place of

field at present.

erford, Tex., arrived in Baxter  
Springs Monday to spend a week  
with Mr. and Mrs. D. Obricht.  
Mrs. Flint is the daughter of Mr.

The non-delivery, cash policies  
of The Golden Rule have proven  
to be money saving to the pa-  
trons, hence popular. The Golden  
Rule grocery department permits  
you to live for less.

where he had been taking treat-  
ment. Mrs. Skinner went down

and daughter, Frances, have come  
from Nowata, Okla., to make  
Baxter Springs their home. Mr.  
Beebe will engage in the mining  
and real estate business. Last  
week he bought the frame build-  
ing just north of the Hotel Bax-  
ter. As soon as he can get pos-  
session, which will be about Oc-  
tober 5, he will have the building  
entirely remodeled and made into  
a rooming house.

Smelter Building Progressing  
Work on the lead smelter build-  
ing southwest of this city is be-  
ing pushed ahead fast. A mess  
hall, a store room and a bunk  
house are almost completed and  
other works are in progress. The  
Ontario Smelting company is  
putting up the smelter and  
apparently wasting no time.

## Great Faith in Chamber- lain's Colic and Diar- rhoea Remedy

"Chamberlain's Colic and
